

Improvements adequately and restricting the spread of any fire from the Premises to any property adjacent to the Premises.

Section 4.8 - Access to Premises: Except as provided in Section 4.8.1, the Port shall at all times during ordinary business hours have the right to enter upon the Premises and Improvements for the purposes of: (1) inspecting the same; (2) confirming the performance by Lessee of its obligations under this Lease; (3) doing any other act which the Port may be obligated or have the right to perform under this Lease, or reasonably related thereto; and (4) for any other lawful purpose. Such inspections shall be made only at a mutually agreeable time to all parties except in cases of emergency or pursuant to Section 4.8.1.

4.8.1 Environmental Inspection: The Port reserves the right to inspect the Lessee's and Lessee's subtenants' management of Hazardous Substances, as defined in Section 6.3, on the Premises at any time and from time to time without notice to the Lessee or subtenant. If the Port at any time during the term of this Lease or any extension thereof has good and sufficient cause to believe that the Lessee or Lessee's subtenant(s) are managing Hazardous Substances in a manner that may allow contamination of any portion of the Premises, the Port may require the Lessee to furnish to the Port, at the Lessee's sole expense, an environmental audit or an environmental assessment with respect to the matters of concern to the Port. The Port shall have the right to approve the company or individual conducting said audit and the audit procedures and shall be given an original copy of the results. The Port shall have the right to request and receive information with respect to use of Hazardous Substances on the

Premises in writing from any subtenants and other occupants of the Premises. Lessee shall cooperate with all such requests.

Section 4.9 - Hazardous Substances Spills and Releases: Lessee shall immediately notify the Port upon becoming aware of: (1) any leak, spill, release or disposal of a Hazardous Substance, as defined in Section 6.3, on, under or adjacent to the Premises or threat of or reasonable suspicion of any of the same; and/or (2) any notice or communication from a governmental agency or any other person directed to the Lessee or any other person relating to such Hazardous Substances on, under, or adjacent to the Premises or any violation of any Environmental Law as defined in Section 6.3 with respect to the Premises or activities on the Premises.

4.9.1 In the event of a leak, spill or release of a Hazardous Substance on the Premises or the threat of or reasonable suspicion of the same from Lessee's operations and/or activities, Lessee shall immediately undertake all emergency response necessary to contain, clean up and remove the Hazardous Substance and shall undertake within a reasonable time all investigatory, remedial and/or removal action necessary or appropriate to ensure that any contamination by the Hazardous Substances is eliminated. The Port shall have the right to approve all investigatory, remedial and removal procedures and the company(ies) and/or individual(s) conducting said procedures. Within 30 days following completion of such investigatory, remedial and/or removal action, Lessee shall provide the Port with a certification acceptable to the Port that all such contamination has been eliminated.

## ARTICLE V. - PORT OBLIGATIONS AND WARRANTIES

Section 5.1 - Maintenance: Except for Lessee's maintenance obligations as described in Section 4.2 and Lessee's obligations to repair damage caused by its activities on the Premises, the Port shall be responsible for maintenance of the exterior walls and roof areas of the Premises, and maintenance of the exterior utility systems to the service connection points inside the Premises. Any and all maintenance and repair work not specifically described herein as the responsibility of the Port shall be the responsibility of the Lessee.

### Section 5.2 - Delivery:

5.2.1 In the event the Port is unable to deliver possession of the Premises on the date fixed for commencement of the term, the Lessee shall owe no rent until notice from the Port tendering possession to the Lessee. The Port shall have no liability to the Lessee for delay in delivering possession, nor shall such delay extend the term of this Lease in any manner.

5.2.2 In the event the Port shall permit the Lessee to occupy the Premises prior to the occupancy date herein set forth, such occupancy shall be subject to all the provisions of this Lease.

Section 5.3 - Port's Warranty of Ownership: The Port warrants that it is the owner of the land and building and has the right to lease said

Premises under the terms of this Lease. Subject to the Lessee performing all obligations of this Lease, the Lessee's possession of the Premises will not be disturbed by the Port or anyone lawfully claiming by, through or under the Port and the Port will defend the Lessee's right to quiet enjoyment of the Premises from disturbance by anyone lawfully claiming by, through or under the Port.

Section 5.4 - Condition of Premises: The Port makes no warranties or representations regarding the condition or available lawful uses of the Premises. The Lessee has inspected and accepts the Premises in an "as is" condition upon taking possession, and the Port shall have no liability to the Lessee for any loss, damage, injury, or costs caused by the condition or available lawful uses of the Premises.

#### ARTICLE VI. - LIABILITY, INDEMNITY, INSURANCE, DAMAGE AND DESTRUCTION

Section 6.1 - Liability: The Port shall not be liable to the Lessee for damage to person or property resulting from the negligence of a co-tenant or anyone else other than the Port, or for any damage to person or property resulting from any condition of the Premises or other cause, including but not limited to damage by water, not resulting from the negligence of the Port. Lessee understands that the Premises are located within a ship repair yard where large vessels are repaired, sandblasted, and spray painted and such activities may create noise, odors, dusts, paint oversprays and sandblast grit. Lessee acknowledges these risks,

assumes the risks for damages caused by such risks, and releases the Port from liability therefore.

Section 6.2 - General Indemnity: Lessee covenants and agrees to indemnify and hold harmless the Port, its commissioners, directors, officers, agents, and employees from and against any and all actual or potential liability, claims, demands, damages, expenses, fees (including attorneys', accountants', and paralegal fees), fines, penalties, suits, proceedings, actions, and causes of action which may be imposed upon or incurred by the Port due to the acts or omissions of any person or entity whatsoever (excluding only the negligence of the Port), and which: (1) arise from or are in any way connected with Lessee's use, occupation, management or control of the Premises whether or not due to Lessee's wilful act or omission or gross negligence and whether or not occurring on the Premises; or (2) result from any breach, violation, or nonperformance by Lessee of any of its obligations under this Lease.

Section 6.3 - Hazardous Substances Indemnity: In addition to the indemnity provided in Section 6.2 above, the Lessee agrees to indemnify, save, and hold harmless the Port, its commissioners, officers, agents, and employees from and against all damages, costs, liabilities, and expenses caused by, arising out of, or in connection with, the handling, storage,

discharge, transportation, or disposal of hazardous or toxic wastes or substances, pollutants, oils, materials, contaminants, or Regulated Substances (collectively "Hazardous Substances") as those terms are defined by federal, state, or local law or regulation, including but not limited to, the Resource Conservation and Recovery Act (RCRA) (42 U.S.C. §6901 et. seq.); the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) (42 U.S.C. §9601, et. seq.); Superfund Amendment and Reauthorization Act of 1986 (SARA) (P.L. 99-499, October 17, 1986) as amended; the Toxic Substances Control Act (15 U.S.C. §2601, et. seq.); the Clean Water Act (33 U.S.C. §1251, et. seq.); the Clean Air Act (42 U.S.C. §7401, et. seq.); the Solid Waste Disposal Act (42 U.S.C. §3251, et. seq.); Marpol Regulations and all annexes thereto; 1985 Oregon Laws Chapter 733; and 1987 Oregon Laws Chapter 540, as the same may be amended from time to time, (collectively "Environmental Law"), on the Premises by Lessee or any other person or entity under the invitation, direction or control of Lessee other than the Port, during Lessee's occupancy and use of the Premises, including, but not limited to: (a) claims of third parties, including governmental agencies, for damages, response costs, indolences or other relief; (b) the cost, expense or loss to the Port of any injunctive relief, including preliminary or temporary injunctive relief, applicable to the Port or the Premises; (c) the expense, including fees of attorneys, engineers, paralegals and experts, reporting the existence of said hazardous substances or contaminants to any agency of the State of Oregon or the United States as required by applicable laws or regulations; (d) any and all expenses or obligations, including attorneys' and paralegal fees, incurred at, before, and after any trial or appeal therefrom or any

administrative proceeding or appeal therefrom whether or not taxable as costs, including, without limitation, attorneys' and paralegal fees, witness fees (expert and otherwise), deposition costs, copying and telephone charges and other expenses, all of which shall be paid by Lessee promptly after the Port incurs the obligation to pay such amounts. Such damages, costs, liabilities and expenses shall include such as are claimed to be owed by any regulating and administering agency. As used in Article VI, the word "Premises" shall be deemed to include the soil and water table thereof.

6.3.1 Promptly upon written notice from the Port or from any governmental entity, the Lessee shall remove from the Premises (including without limitation the soil or water table thereof) all Hazardous Substances in existence after the date on which Lessee first obtained possession of the Premises, and shall restore the Premises to clean, safe, good, and serviceable condition. Any such cleanup shall be in conformance with all applicable Environmental Laws.

Section 6.4 - Duty to Defend: Lessee shall, at its sole expense, defend any and all actions, suits, and proceedings relating to matters covered by the indemnity set forth in Sections 6.2 and 6.3 which may be brought against the Port or in which the Port may be impleaded, and shall satisfy, pay, and discharge any and all judgments, orders, and decrees that may be entered against the Port in any such action or proceeding.

Section 6.5 - Insurance:

6.5.1 The Lessee shall maintain an occurrence form commercial general and automobile liability insurance policy or policies including a fire legal liability endorsement for the protection of the Lessee and the Port, its commissioners, directors, officers, servants, and employees, insuring the Lessee and the Port against liability for damages because of personal injury, bodily injury, death, or damage to property, including loss of use thereof, and occurring on or in any way related to the Premises or occasioned by reason of the operations of the Lessee on or from the Premises with insurance limits of not less than (\$1,000,000) combined single limit.

6.5.2 All insurance shall name the Port, its commissioners, offices, and employees as additional insureds with the stipulation that this insurance, as to the interest of the Port only therein, shall not be invalidated by any act or neglect or breach of contract by the Lessee.

6.5.3 The Lessee shall furnish to the Port a certificate(s) of insurance evidencing the date, amount, and type of insurance that has been procured pursuant to this Lease. All policies of insurance shall remain in full force during the term hereof and shall provide for not less than 30 (thirty) days written notice to the Port and the Lessee before such policies may be revised, nonrenewed, or cancelled. Upon request, the Lessee shall provide the Port with a copy or copies of any insurance policy provided pursuant to this Lease.

6.5.4 The Port shall have the right to review the coverage and limits of insurance required herein from time to time. In the event the Port determines that such limits should be modified, the Port will provide

30 days notice to the Lessee of such determination and the Lessee shall, if the coverage is expanded and/or limits are increased, modify its coverage to comply with the new limits and provide the Port with an updated certificate.

Section 6.6 - Waiver of Subrogation: The Port and the Lessee agree that each forfeits any right of action that it may later acquire against the other of the parties to the Lease for loss or damage to its property, or to property in which it may have an interest, to the extent that such loss is covered by the provision of the Lessee's property damage policy or policies.

#### ARTICLE VII. - TERMINATION

Section 7.1 - Termination by the Port: The Port shall be entitled to terminate this Lease as provided herein and as otherwise provided by law.

Section 7.2 - Termination by Lessee: The Lessee shall be entitled to terminate this Lease as provided herein and as otherwise provided by law.

Section 7.3 - Duties on Termination: Upon termination of the Lease for any reason, the Lessee shall deliver all keys to the Port and surrender the Premises and Improvements in good condition. Alterations including but not limited to electrical systems, constructed by the Lessee with permission from the Port shall not be removed, unless the terms of permission for the alteration so require, but shall be restored to the

original condition. Depreciation and wear from ordinary use for the purpose for which the Premises were let need not be restored, but all repair for which the Lessee is responsible shall be completed to the latest practical date prior to such surrender.

Section 7.4 - Title to Improvements: Subject to the provisions of Section 7.5, upon termination of this Lease by the passage of time or for any reason, the Port shall have the option to either require removal of any or all Improvements constructed by the Lessee, pursuant to Section 4.1, within 90 days after the expiration of the Lease at the Lessee's expense or shall have the option to take title to any or all such structures, installations, and Improvements.

Section 7.5 - Fixtures:

7.5.1 Upon termination of this Lease for any reason, any or all fixtures placed upon the Premises during the Lease Term, or any extension thereof, other than the Lessee's trade fixtures, shall, at the Port's option, become the property of the Port. Movable furniture, decorations, floor covering (other than hard surface bonded or adhesively fixed flooring), curtains, blinds, furnishing and trade fixtures shall remain the property of the Lessee if placed on the Premises by the Lessee. At or before the termination of this Lease, Lessee, at its expense, shall remove from the Premises any or all of Lessee's fixtures or personal property which the Port has required Lessee to remove under the terms of this Lease, and shall repair any damage to the Premises resulting from the installation or removal of such fixtures or personal property. Any items

of Lessee's fixtures or personal property which remain on the Premises after the termination of this Lease in violation of this Section 7.5 may, at the option of the Port, be deemed abandoned. The Port shall have the option, in its sole discretion, of (a) retaining any or all of such abandoned property without any requirement to account to Lessee therefor, or (b) removing and disposing of any or all of such abandoned property and recovering the cost thereof, plus interest from the date of expenditure at the Port's then current interest rate, from Lessee upon demand.

7.5.2 The time for removal of any property or fixtures which the Lessee is required to remove from the Premises upon termination shall be as follows: (1) on or before the date the Lease terminates as provided herein; or (2) within 30 days after notice from the Port requiring such removal where the property to be removed is a fixture which the Lessee is not required to remove except after such notice by the Port, and such date would fall after the date on which the Lessee would be required to remove other property.

Section 7.6 - Environmental Audit: The Port may, at or near the expiration of this Lease by time or other termination require the Lessee to conduct, at its cost, an environmental audit of the Premises acceptable to the Port to determine if any environmental contamination as defined by then-applicable Environmental Law exists on the Premises. The Port shall have the right to approve the audit procedures and the company or individual conducting said audit and shall be given an original copy of the results. Lessee shall provide to the Port a supplemental up-date report as of the last day of the Lease Term. The Lessee shall promptly

remedy any contamination revealed by such audit in accordance with the then applicable Environmental Law prior to the expiration of the Lease Term. Lessee, upon termination of the Lease for any reason other than expiration of time, shall conduct the environmental audit as required by this Section. The Port, if necessary, will grant Lessee a Permit of Entry for such purpose. In the event the Lessee fails to promptly remedy the contamination, the Port shall have the right to remedy such contamination and charge the Lessee all such costs. The Lessee agrees to pay to Port such costs within 30 days after receipt of invoice from the Port, such right to be in addition to any other remedy available to the Port as provided herein, at law, or by equity.

7.6.1 If the Lessee does not conduct said audit as required herein, the Port may, at its sole option, complete said audit at the Lessee's expense. Until said audit and any remedial actions as required to restore the Premises to an acceptable condition are completed, the Lessee shall not be released from any liability for such costs.

#### ARTICLE VIII. - DEFAULT

Section 8.1 - Events of Default: The following shall be events of default:

8.1.1 Default in Rent: Failure of the Lessee to pay any rent or other charge as provided herein within 10 days after it is due.

8.1.2 Default in Other Covenants: Failure of the Lessee to comply with any term or condition or fulfill any obligation of the Lease

(other than the payment of rent or other charges) within 30 days after written notice by the Port specifying the nature of the default with reasonable particularity. If the default is of such a nature that it cannot be completely remedied within the 30 day period, this provision shall be complied with if the Lessee begins correction of the default within the 30 day period and thereafter proceeds with reasonable diligence and in good faith to effect the remedy as soon as practicable.

8.1.3 Insolvency: To the extent permitted by the United States Bankruptcy Code, insolvency of the Lessee; an assignment by the Lessee for the benefit of creditors; the filing by the Lessee of a voluntary petition in bankruptcy; an adjudication that the Lessee is bankrupt or the appointment of a receiver of the properties of the Lessee and the receiver is not discharged within 30 days; the filing of an involuntary petition of bankruptcy and failure of the Lessee to secure a dismissal of the petition within 30 (thirty) days after filing; attachment of or the levying of execution on the leasehold interest and failure of the Lessee to secure discharge of the attachment or release of the levy of execution within 10 days.

8.1.4 Abandonment: Failure of the Lessee for 30 days or more to occupy the Premises for one or more of the purposes permitted under this Lease unless such failure is excused under other provisions of this Lease.

#### Section 8.2 - Remedies on Default:

8.2.1 In the event of a default under the provisions of Section 8.1, the Port at its option may terminate the Lease and at any time may exercise any other remedies available under law or equity for such

default. Any notice to terminate may be given before or within the grace period for default and may be included in a notice of failure of compliance. No termination of this Lease pursuant to this Section 8.2 shall relieve Lessee of its liabilities and obligations under this Lease, and any damages shall survive any such termination.

8.2.2 If Lessee fails to perform any of its obligations under this Lease, the Port, without waiving any other remedies for such failure, may (but shall not be obligated to) perform such obligation for the account and at the expense of the Lessee, without notice in a case of emergency, and in any other case if such failure continues for 15 days after written notice from the Port specifying the nature of the failure. As used herein, "emergency" shall mean any activity, cause or effect under the control or direction of the Lessee, its employees, agents, invitees, guests, or subcontractors involving the health, safety or general welfare of persons or property. The Port shall not be liable to Lessee for any claim for damage resulting from any such action by the Port. Lessee agrees to reimburse the Port upon demand for any expenses incurred by Lessor pursuant to this Lease together with interest thereon from the date of payment at the Port's then current interest rate.

8.2.3 Suit(s) or action(s) resulting from Lessee's default for the recovery of the rents and other amounts and damages, or for the recovery of possession may be brought by landlord, from time to time, at landlord's election, and nothing in this Lease will be deemed to require landlord to await the date on which the Lease Term expires. Each right and remedy in this Lease will be cumulative and will be in addition to every other right or remedy in this Lease or existing at law or in equity or by statute or otherwise,

including, without limitation, suits for injunctive relief and specific performance. The exercise or beginning of the exercise by landlord of any such rights or remedies will not preclude the simultaneous or later exercise by landlord of any other such rights or remedies. All such rights and remedies are nonexclusive.

#### ARTICLE IX. - GENERAL PROVISIONS

##### Section 9.1 - Assignment and Sublease:

9.1.1 This Lease is personal to the Lessor and the Lessee. Except as provided herein, no part of the Premises nor any interest in this Lease may be assigned, mortgaged, or subleased, nor may a right of use of any portion of the Premises be conveyed or conferred on any third person by any other means, without the prior written consent of the Port. Any assignment or attempted assignment without the Port's prior written consent shall be void. This provision shall apply to all transfers by operation of law. If the Lessee is a corporation, this provision shall apply to any sale of a controlling interest in the stock of the corporation.

9.1.2 Consent in one instance shall not prevent this provision from applying to a subsequent instance.

9.1.3 Other than the subleases for which the Port has given written consent concurrently with this Lease, in determining whether to consent to sublease, the Port may consider any factor, including the following factors: financial ability; business experience; intended use.

Section 9.2 - Nonwaiver: Waiver by either party of strict performance of any provision of this Lease shall not be a waiver of or prejudice the party's right to require strict performance of the same provision in the future or of any other provision. All waivers shall be in writing. The Port's acceptance of a late payment of rent does not waive any preceding or subsequent default other than the failure to pay the particular sum accepted.

Section 9.3 - Attorney's Fees: If suit or action is instituted in connection with any controversy arising out of this Lease, the prevailing party shall be entitled to recover in addition to costs such sum as the court may adjudge reasonable as attorney fees, or in the event of appeal as allowed by the appellate court.

Section 9.4 - Law of Oregon: This Lease shall be governed by the laws of the State of Oregon. If a court of competent jurisdiction declares this Lease to be a public contract under ORS Chapter 279, then the parties agree that the contract provisions required by ORS Chapter 279 to be included in public contracts are hereby incorporated by reference and shall become a part of this Lease as if fully set forth herein.

Section 9.5 - Adherence to Law: The Lessor and Lessee shall adhere to all applicable Federal, State, and local laws, rules, regulations, and ordinances, including but not limited to (1) laws governing its relationship with its employees, including but not limited to laws, rules, regulations, and policies concerning Worker's Compensation, and minimum

and prevailing wage requirements; (2) laws, rules, regulations and policies relative to occupational safety and health, (3) all federal, state, regional and local laws, regulations and ordinances protecting the environment, and (4) all laws and regulations regarding the handling and disposal of Hazardous Substances.

9.5.1 Lessee shall not use or allow the use of the Premises or any part thereof for any unlawful purpose or in violation of any certificate of occupancy, any certificate of compliance, or of any other certificate, law, statute, ordinance, or regulation covering or affecting the use of the Premises or any part thereof. Lessee shall not permit any act to be done or any condition to exist on the Premises or any part thereof which may be hazardous, which may constitute a nuisance, or which may void or make voidable any policy of insurance in force with respect to the Premises.

9.5.2 The Lessee shall promptly provide to the Port copies of all notices or other communications between the Lessee and any governmental entity which relate to the Lessee's noncompliance or alleged noncompliance with any law, ordinance, regulation, condition, or other applicable requirement lawfully imposed by any agency, governmental body, or quasi-governmental body having jurisdiction over the Lessee's use of the Premises.

9.5.3 Lessee shall obtain, and promptly advise the Port of receipt of all federal, state, or local governmental approvals or permits required by law or regulation for any activity or construction that Lessee may undertake on the Premises. Lessee shall provide the Port with copies of all such approvals and permits received by Lessee.

Section 9.6 - No Light or Air Easement: The reduction or elimination of the Lessee's light, air, or view will not affect the Lessee's liability under this Lease, nor will it create any liability of the Port to the Lessee.

Section 9.7 - Time of Essence: Time is of the essence of each and every covenant and condition of this Lease.

Section 9.8 - Warranty of Authority: The individuals executing this agreement warrant that they have full authority to execute this Lease on behalf of the entity for whom they are acting herein.

Section 9.9 - Headings: The article and section headings contained herein are for convenience in reference and are not intended to define or limit the scope of any provisions of this Lease.

Section 9.10 - Delinquency Charges: Lessee acknowledges that late payment by Lessee to the Port of any rent due hereunder will cause the Port to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Accordingly, if any rent is not received by the Port when it is due, Lessee shall pay to the Port a delinquency charge in accordance with Section 3.2.1. The parties hereby agree that such delinquency charge represents a fair and reasonable payment by Lessee. Acceptance of any delinquency charge by the Port shall in no event constitute a waiver of Lessee's default with respect to the overdue amount in question, nor prevent the Port from exercising any of the other rights and remedies granted hereunder.

Section 9.11 - Consent of Port:

9.11.1 Subject to the provisions of Section 9.1, whenever consent, approval or direction by the Port is required under the terms contained herein, all such consent, approval, or direction shall be received in writing from an authorized representative of The Port of Portland.

9.11.2 If Lessee requests the Port's consent or approval pursuant to any provision of the Lease and the Port fails or refuses to give such consent, Lessee shall not be entitled to any damages as a result of such failure or refusal, whether or not unreasonable, it being intended the Lessee's sole remedy shall be an action for specific performance or injunction, and that such remedy shall be available only in those cases in which the Port has in fact acted unreasonably and has expressly agreed in writing not unreasonably to withhold its consent or may not unreasonably withhold its consent as a matter of law.

Section 9.12- Notices: All notices required under this Lease shall be deemed to be properly served if served personally or sent by certified mail to the last address previously furnished by the parties hereto. Until hereafter changed by the parties by notice in writing, notices shall be sent to the Port at The Port of Portland, Post Office Box 3529, Portland, Oregon 97208, or served personally at 5555 N. Channel Ave., Bldg. 50, Portland, Oregon, 97217, and to the Lessee at, 5555 N. Channel Ave., Bldg. 50, Portland, OR 97217. Date of Service of such notice is date such notice is personally served or deposited in a post office of the United States Post Office Department, postage prepaid.

Section 9.13 - Modification: Any modification of the Lease shall be mutually agreed upon and reduced to writing and shall not be effective until signed by the parties hereto.

Section 9.14 - No Benefit to Third Parties: The Port and the Lessee are the only parties to this Lease and as such are the only parties entitled to enforce its terms. Nothing in this Lease gives or shall be construed to give or provide any benefit, direct, indirect, or otherwise to third parties unless third persons are expressly described as intended to be beneficiaries of its terms.

Section 9.15 - Admittance: The Port shall not be liable for the consequences of refusing to admit by pass-key to said Premises the Lessee or any of the Lessee's agents or employees or other persons claiming the right of admittance.

Section 9.16 - Regulations: With prior notice the Port may, from time to time, adopt and enforce rules and regulations with respect to the use of said Premises, and Lessee agrees to observe and obey such rules and regulations.

Section 9.17 - Partial Invalidity: If any provision of this Lease or the application thereof to any person or circumstance is at any time or to any extent, held to be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstances other than those to which it is held invalid or unenforceable, shall not

be affected thereby, and each provision of this Lease shall be valid and enforceable to the fullest extent permitted by law.

Section 9.18 - Survival: All agreements (including, but not limited to, indemnification agreements) set forth in this Lease, the full performance of which are not required prior to the expiration or earlier termination of this Lease, shall survive the expiration or earlier termination of this Lease and be fully enforceable thereafter.

Section 9.19 - Entire Agreement: It is understood and agreed that this instrument contains the entire Agreement between the parties hereto. It is further understood and agreed by the Lessee that the Port and the Port's agents have made no representations or promises with respect to this Agreement or the making or entry into this Agreement, except as in this Agreement expressly set forth, and that no claim or liability or cause for termination shall be asserted by the lessee against the Port for, and the Port shall not be liable by reason of, the breach of any representations or promises not expressly stated in this Agreement, any other oral agreement with the Port being expressly waived by the Lessee.

MONTH-TO-MONTH  
LEASE OF IMPROVED SPACE

THIS LEASE, dated this 1<sup>st</sup> day of August, 1990, is entered into by and between THE PORT OF PORTLAND, a port district of the State of Oregon (hereinafter referred to as "Port"), and MARINE PROPULSION SERVICES, INC., a corporation organized under the laws of the State of Oregon (hereinafter referred to as "Lessee"), for lease of certain described Premises located at the Portland Ship Repair Yard, Swan Island ("PSRY").

ARTICLE I. - AGREEMENT TO LEASE, DESCRIPTION OF PREMISES

Section 1.1 - Agreement to Lease: The Port hereby leases to Lessee, and Lessee leases from the Port on the terms and conditions stated herein, the Premises consisting of approximately 1500 square feet of open yard space adjacent to the southwest corner of Building 73 shown on Exhibit No. A, attached hereto and made a part hereof, and any existing Improvements thereon, and appurtenances thereto, (hereinafter referred to as "Premises"). Upon construction or installation of any Improvements, additions, or changes to Improvements in, under, or upon the Premises (collectively "Improvements"), such Improvement(s) shall become a part of the Premises unless otherwise stated herein.

Section 1.2 - Appurtenant Rights: 1.2.1 Lessee, its cutomers, agents, representatives, suppliers, and invitees and subcontractors authorized to be operating in the Yard shall have the nonexclusive right to use the Common Areas, such right to be in common with others to whom the Port has granted or may grant such similar right. The term "Common Areas," as used herein, shall mean the roadways, pedestrian walkways, alleyways, driveways, delivery areas, trash removal areas, equipment and material storage areas, and any other areas where such areas have been designated by the Port as areas to be used by tenanats of the Port or those having use agreements in common with other tenanats and users of the Port.

1.2.2 The Port reserves the following rights with respect to the Common Areas:

1.2.2.1 To establish reasonable rules and regulations for the use of said Common Areas;

1.2.2.2 To use or permit the use of such Common Areas by others to whom the Port may grant or may have granted such rights in such manner as the Port may from time to time so grant;

1.2.2.3 To close all or any portion of the Common Areas to make repairs or changes, to prevent a dedication of the Common Areas or the accrual of any rights to any person or the public, or to discourage unpermitted use of the Common Areas;

1.2.2.4 To construct additional buildings to alter or remove buildings or other improvements in the Common Areas and to change the layout of such Common Areas, including the right to add to or subtract from their shape and size.

1.2.2.5 To exercise any of the Port's governmental powers over the Common Areas.

Section 1.3 - Use of Premises:

1.3.1 Lessee may use the Premises only for the following purpose(s): surface preparation of turbines, fans, and other equipment fabricated or repaired by Lessee. All surface preparation work must be done inside Lessee's sandblast booth which is located on the Premises.

1.3.2 No other use may be made of the Premises without the written approval of the Port. Except as a necessary and incidental use in conjunction with the use authorized for the Premises pursuant to Section 1.3.1 above, without limiting the foregoing restriction on use, no use may be made of, on, or from the Premises relating to the handling, storage, disposal, transportation, or discharge of Hazardous Substances as defined in Section 6.3 hereof. Under no circumstances shall any use be made of, or conduct occur on, the Premises which would cause the Premises, or any part thereof, to be deemed a hazardous waste treatment, storage, or disposal facility requiring a permit, interim status, or any other special authorization under any Environmental Law as defined in Section 6.3 hereof.

1.3.3 In no event shall Lessee store, handle, transport, dispose, or treat any Hazardous Substances on the Premise which are generated by or from cleanup, removal, remediation, operations or activities from third party sources outside PSRY.

1.3.4 Lessee shall at all times exercise due care in connection with the handling of Hazardous Substances on the Premises and shall not cause or permit Hazardous Substances to be spilled, leaked, disposed of, treated, or otherwise released on the Premises.

1.3.5 Before commencing the use, generation, accumulation, storage, treatment, or other handling of Hazardous Substances on the Premises, Lessee shall provide the Port with copies of all necessary permits, authorizations and notices required by any Environmental Law as described in Section 6.3 herein, with respect to such activities. Lessee shall at all times comply with all Environmental Laws as defined in Section 6.3 herein, applicable to the Premises or to the Lessee's activities on the Premises.

#### ARTICLE II. - TERM

Section 2.1 - Term: This Lease shall commence on August 1, 1990, and continue month to month until terminated by either party upon thirty days written notice or otherwise terminated under the provisions hereof.

#### ARTICLE III. - RENTAL

Section 3.1 - Basic Rent: The Lessee shall pay, in advance, to the Port as rent the sum of \$90.00 per month based upon the following: 1500 square feet of yard space at \$0.06 per square foot per month plus monthly utility charges as shown on Exhibit B attached attached hereto. Rent for the first and last months rent has been paid upon execution of this Lease and the Port acknowledges receipt of this sum.

Section 3.2 - Time and Place of Payments: Payments are due on the first day of each month and delinquent if not paid by the (10th) day of each month. In the event the Lease commences after the first day of a month, the Basic Rent for the first month shall be prorated based on the number of days in the first partial calendar month.

3.2.1 Payment shall be to the Port at The Port of Portland, Post Office Box 5095, Portland, Oregon 97208, or such other place as the Port may designate. All amounts not paid by the Lessee when due shall bear a delinquency charge at the rate of 18% per annum. The delinquency charge on overdue accounts is subject to periodic adjustment to reflect the Port's then current charge for overdue accounts.

Section 3.3 - Acceptance of Late Rent: The Port shall be entitled, at its sole and complete discretion, to either accept or reject a tender payment of Basic Rent or Additional Rent which is not paid when due. In the event the Port elects to accept a tender of payment of rent after the time when such payment was due, the Port may do so without thereby waiving any default based upon the failure of Lessee to make such payment when due and without waiving Lessee's continuing obligation to make such payments when required under the terms of this Lease. Lessee hereby acknowledges that this constitutes a waiver by Lessee of any argument that by accepting a late payment of rent, the Port has waived any default which is based upon such late payment or has waived Lessee's continuing obligation to make such payments when and as required by the terms of this Lease.

#### ARTICLE IV. - LESSEE'S OTHER OBLIGATIONS

Section 4.1 - Construction of Improvements/Alterations: The Lessee shall make no installations, alterations, modifications or additions to the Premises or Improvements without first obtaining the written consent of the Port. All plans and specifications for construction, alteration, or changes shall be submitted to the Port prior to construction or installation for review and approval by the Port. Approval by the Port shall not be construed as certification or representation as to the engineering integrity of the drawings in any regard.

4.1.1 No alteration, modification, installations or additions shall be undertaken until Lessee has procured and paid for, so far as the same may be required from time to time, all municipal and other governmental permits and authorizations required with respect to the work. Procurement of such permits and authorizations shall be subsequent to lessee's obtaining Port approval pursuant to Section 4.1.

4.1.2 All work shall be performed in a good and workmanlike manner and, in the case of alterations or additions to existing Improvements, shall be of such quality and type that, when completed, the value and utility of the Improvements which were changed or altered shall be not less than the value and utility of such Improvements immediately before such change or alteration. All work shall be prosecuted with reasonable dispatch.

4.1.3 Thirty days after the completion of any work under this Section 4.1, Lessee shall deliver to the Port complete and fully detailed "AS-BUILT" drawings of the completed Improvements.

Section 4.2 - Maintenance: The Lessee shall keep and maintain the Premises and Improvements of any kind, which may be erected, installed, or made thereon by the Lessee or the Port, in good and substantial repair and condition and shall promptly make all necessary repairs thereto at Lessee's sole expense. The Lessee shall provide at, the Lessee's expense, proper containers and removal service for trash and garbage and shall keep the Premises free and clear of rubbish, debris, litter and sandblast grit at all times.

Section 4.3 - Taxes: Unless exempt, the Lessee agrees to pay all taxes and assessments which during the term hereof or any extension may become a lien or which may be levied by the state, county, city, or any other tax-levying body upon the Premises or Improvements or upon any taxable interest by the Lessee may have in or to the Premise or the Improvements thereon by reason or its occupancy thereof, as well as all taxes on all taxable property, real or personal, owned by the Lessee in or about said Premises. Upon making such payments, the Lessee shall give to the Port a copy of the receipts and vouchers showing such payment. The Lessee understands that if the term of this lease or any extension thereof shall end after June 30 of any year, the Lessee shall be responsible for payment of property taxes for the entire tax year without proration.

Section 4.4 - Liens: The Lessee agrees to pay, when due, all sums of money that may become due for, any labor, services, materials, supplies, utilities, furnishings, machinery, or equipment which have been furnished or ordered with the Lessee's consent to be furnished to or for the Lessee in, upon, or about the Premises or Improvements, which may be secured by any mechanic's, materialsmen's, or other lien against the Premises or Improvements or the Port's interest therein, and will cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, provided that the Lessee may in good faith contest any mechanic's or other liens filed or established, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest, provided that the Port may require the Lessee to procure a payment bond in the amount of the contested lien.

Section 4.5 - Utilities: The Lessee shall promptly pay any charges for sewer, water, gas, electricity, telephone, and all other charges for utilities which may be furnished to the Premises or Improvements at the request of the Lessee, including any and all costs to provide utility services to the Premises. The utilities which may be provided by the Port and the applicable rates are shown on Exhibit B, attached hereto. In no event shall the Lessee overload the electrical circuits from which the Lessee obtains current.

Section 4.6 - Advertisement Signs: Subject to the provisions hereof, the Lessee shall have the right to install or cause to be installed appropriate signs on the Premises to advertise the nature of its business. The cost for installation and operation of such signs shall be borne by the Lessee. The Lessee shall not erect, install, nor permit to be erected, installed or operated upon the Premises herein any sign or other advertising device without having first obtained the Port's written consent thereto as to size, construction, location, and general appearance and then all applicable governmental approvals. All such installations shall be in accordance with the Portland Ship Repair Yard Signing Standards as adopted by the Port from time to time.

Section 4.7 - Safety Requirements:

4.7.1 The Lessee shall conduct its operations, activities and duties under this Lease in a safe manner, and shall comply with all safety standards imposed by applicable federal, state and local laws and regulations. The Lessee shall require the observance of the foregoing by all subcontractors and all other persons transacting business with or for the Lessee in any way connected with the conduct of the Lessee pursuant to this Lease.

4.7.2 The Lessee shall exercise due and reasonable care and caution to prevent and control fire on the Premises and to that end shall provide and maintain such fire suppression and other fire protection equipment as may be required pursuant to applicable governmental laws, ordinances, statutes and codes for the purpose of protecting the

Improvements adequately and restricting the spread of any fire from the Premises to any property adjacent to the Premises.

Section 4.8 - Access to Premises: Except as provided in Section 4.8.1, the Port shall at all times during ordinary business hours have the right to enter upon the Premises and Improvements for the purposes of: (1) inspecting the same; (2) confirming the performance by Lessee of its obligations under this Lease; (3) doing any other act which the Port may be obligated or have the right to perform under this Lease, or reasonably related thereto; and (4) for any other lawful purpose. Such inspections shall be made only at a mutually agreeable time to all parties except in cases of emergency or pursuant to Section 4.8.1.

4.8.1 Environmental Inspection: The Port reserves the right to inspect the Lessee's and Lessee's subtenants' management of Hazardous Substances, as defined in Section 6.3, on the Premises at any time and from time to time without notice to the Lessee or subtenant. If the Port at any time during the term of this Lease or any extension thereof has good and sufficient cause to believe that the Lessee or Lessee's subtenant(s) are managing Hazardous Substances in a manner that may allow contamination of any portion of the Premises, the Port may require the Lessee to furnish to the Port, at the Lessee's sole expense, an environmental audit or an environmental assessment with respect to the matters of concern to the Port. The Port shall have the right to approve the company or individual conducting said audit and the audit procedures and shall be given an original copy of the results. The Port shall have the right to request and receive information with respect to use of Hazardous Substances on the

Premises in writing from any subtenants and other occupants of the Premises. Lessee shall cooperate with all such requests.

Section 4.9 - Hazardous Substances Spills and Releases: Lessee shall immediately notify the Port upon becoming aware of: (1) any leak, spill, release or disposal of a Hazardous Substance, as defined in Section 6.3, on, under or adjacent to the Premises or threat of or reasonable suspicion of any of the same; and/or (2) any notice or communication from a governmental agency or any other person directed to the Lessee or any other person relating to such Hazardous Substances on, under, or adjacent to the Premises or any violation of any Environmental Law as defined in Section 6.3 with respect to the Premises or activities on the Premises.

4.9.1 In the event of a leak, spill or release of a Hazardous Substance on the Premises or the threat of or reasonable suspicion of the same from Lessee's operations and/or activities, Lessee shall immediately undertake all emergency response necessary to contain, clean up and remove the Hazardous Substance and shall undertake within a reasonable time all investigatory, remedial and/or removal action necessary or appropriate to ensure that any contamination by the Hazardous Substances is eliminated. The Port shall have the right to approve all investigatory, remedial and removal procedures and the company(ies) and/or individual(s) conducting said procedures. Within 30 days following completion of such investigatory, remedial and/or removal action, Lessee shall provide the Port with a certification acceptable to the Port that all such contamination has been eliminated.

#### ARTICLE V. - PORT OBLIGATIONS AND WARRANTIES

Section 5.1 - Port's Warranty of Ownership: The Port warrants that it is the owner of the land and building and has the right to lease said Premises under the terms of this Lease. Subject to the Lessee performing all obligations of this Lease, the Lessee's possession of the Premises will not be disturbed by the Port or anyone lawfully claiming by, through or under the Port and the Port will defend the Lessee's right to quiet enjoyment of the Premises from disturbance by anyone lawfully claiming by, through or under the Port.

Section 5.2 - Condition of Premises: The Port makes no warranties or representations regarding the condition or available lawful uses of the Premises. The Lessee has inspected and accepts the Premises in an "as is" condition upon taking possession, and the Port shall have no liability to the Lessee for any loss, damage, injury, or costs caused by the condition or available lawful uses of the Premises.

#### ARTICLE VI. - LIABILITY, INDEMNITY, INSURANCE, DAMAGE AND DESTRUCTION

Section 6.1 - Liability: The Port shall not be liable to the Lessee for damage to person or property resulting from the negligence of a co-tenant or anyone else other than the Port, or for any damage to person or property resulting from any condition of the Premises or other cause, including but not limited to damage by water, not resulting from the negligence of the Port. Lessee understands that the Premises are located within a ship repair yard where large vessels are repaired, sandblasted,

and spray painted and such activities may create noise, odors, dusts, paint oversprays and sandblast grit. Lessee acknowledges these risks, assumes the risks for damages caused by such risks, and releases the Port from liability therefore.

Section 6.2 - General Indemnity: The Port shall not in any event be liable for any injury to any person or damage to any property occurring on or about the Premises, unless such injury or damage results from the negligence of the Port. Lessee covenants and agrees to indemnify and hold harmless the Port, its commissioners, directors, officers, agents, and employees from and against any and all actual or potential liability, claims, demands, damages, expenses, fees (including attorneys', accountants', and paralegal fees), fines, penalties, suits, proceedings, actions, and causes of action which may be imposed upon or incurred by the Port due to the acts or omissions of any person or entity whatsoever (excluding only the negligence of the Port), and which: (1) arise from or are in any way connected with Lessee's use, occupation, management or control of the Premises whether or not due to Lessee's wilful act or omission or gross negligence and whether or not occurring on the Premises; or (2) result from any breach, violation, or nonperformance by Lessee of any of its obligations under this Lease.

Section 6.3 - Hazardous Substances Indemnity: In addition to the indemnity provided in Section 6.2 above, the Lessee agrees to indemnify, save, and hold harmless the Port, from and against removal, remediation, containment and other costs caused by, arising out of, or in connection

with, the handling, storage, discharge, transportation, or disposal of hazardous or toxic wastes or substances, pollutants, oils, materials, contaminants, or Regulated Substances (collectively "Hazardous Substances") as those terms are defined by federal, state, or local law or regulation, including but not limited to, the Resource Conservation and Recovery Act (RCRA) (42 U.S.C. §6901 et. seq.); the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) (42 U.S.C. §9601, et. seq.); Superfund Amendment and Reauthorization Act of 1986 (SARA) (P.L. 99-499, October 17, 1986) as amended; the Toxic Substances Control Act (15 U.S.C. §2601, et. seq.); the Clean Water Act (33 U.S.C. §1251, et. seq.); the Clean Air Act (42 U.S.C. §7401, et. seq.); the Solid Waste Disposal Act (42 U.S.C. §3251, et. seq.); Marpol Regulations and all annexes thereto; 1985 Oregon Laws Chapter 733; and 1987 Oregon Laws Chapter 540, as the same may be amended from time to time, (collectively "Environmental Law"), which Hazardous Substances are on the Premises as a result of Lessee's acts or omissions, whether occurring prior to or during the term of this Lease. Such costs shall include, but not be limited to: (a) claims of third parties, including governmental agencies, for damages, response costs, indemnities or other relief; (b) the cost, expense or loss to the Port of any injunctive relief, including preliminary or temporary injunctive relief, applicable to the Port or the Premises; (c) the expense, including fees of attorneys, engineers, paralegals and experts, reporting the existence of said hazardous substances or contaminants to any agency of the State of Oregon or the

United States as required by applicable laws or regulations; (d) any and all expenses or obligations, including attorneys' and paralegal fees, incurred at, before, and after any trial or appeal therefrom or any administrative proceeding or appeal therefrom whether or not taxable as costs, including, without limitation, attorneys' and paralegal fees, witness fees (expert and otherwise), deposition costs, copying and telephone charges and other expenses, all of which shall be paid by Lessee promptly after the Port incurs the obligation to pay such amounts. Such damages, costs, liabilities and expenses shall include such as are claimed to be owed by any regulating and administering agency. As used in Article VI, the word "Premises" shall be deemed to include the soil and water table thereof.

6.3.1 Promptly upon written notice from the Port or from any governmental entity, the Lessee shall remove from the Premises (including without limitation the soil or water table thereof) all Hazardous Substances in existence after the date on which Lessee first obtained possession of the Premises or thereafter, and shall restore the Premises to clean, safe, good, and serviceable condition. Any such cleanup shall be in conformance with all applicable Environmental Laws.

Section 6.4 - Duty to Defend: Lessee shall, at its sole expense, defend any and all actions, suits, and proceedings relating to matters covered by the indemnity set forth in Sections 6.2 and 6.3 which may be brought against the Port or in which the Port may be impleaded, and shall satisfy, pay, and discharge any and all judgments, orders, and decrees that may be entered against the Port in any such action or proceeding.

Section 6.5 - Insurance:

6.5.1 The Lessee shall maintain an occurrence form commercial general and automobile liability insurance policy or policies for the protection of the Lessee and the Port, its commissioners, directors, officers, servants, and employees, insuring the Lessee and the Port against liability for damages because of personal injury, bodily injury, death, or damage to property, including loss of use thereof, and occurring on or in any way related to the Premises or occasioned by reason of the operations of the Lessee on or from the Premises with insurance limits of not less than (\$1,000,000) combined single limit.

6.5.2 All insurance shall name the Port, its commissioners, offices, and employees as additional insureds with the stipulation that this insurance, as to the interest of the Port only therein, shall not be invalidated by any act or neglect or breach of contract by the Lessee.

6.5.3 The Lessee shall furnish to the Port a certificate(s) of insurance evidencing the date, amount, and type of insurance that has been procured pursuant to this Lease. All policies of insurance shall remain in full force during the term hereof and shall provide for not less than 30 (thirty) days written notice to the Port and the Lessee before such policies may be revised, nonrenewed, or cancelled. Upon request, the Lessee shall provide the Port with a copy or copies of any insurance policy provided pursuant to this Lease.

6.5.4 The Port shall have the right to review the coverage and limits of insurance required herein from time to time. In the event the Port determines that such limits should be modified, the Port will provide

30 days notice to the Lessee of such determination and the Lessee shall, if the coverage is expanded and/or limits are increased, modify its coverage to comply with the new limits and provide the Port with an updated certificate.

Section 6.6 - Waiver of Subrogation: The Port and the Lessee agree that each forfeits any right of action that it may later acquire against the other of the parties to the Lease for loss or damage to its property, or to property in which it may have an interest, to the extent that such loss is covered by the provision of the Lessee's property damage policy or policies.

#### ARTICLE VII. - TERMINATION

Section 7.1 - Termination by the Port: The Port shall be entitled to terminate this Lease as provided herein and as otherwise provided by law.

Section 7.2 - Termination by Lessee: The Lessee shall be entitled to terminate this Lease as provided herein and as otherwise provided by law.

Section 7.3 - Duties on Termination: Upon termination of the Lease for any reason, the Lessee shall deliver all keys to the Port and surrender the Premises and Improvements in good condition. Alterations including but not limited to utility systems, constructed by the Lessee with permission from the Port shall not be removed, unless the terms of permission for the alteration so require, but shall be restored to the

original condition. Depreciation and wear from ordinary use for the purpose for which the Premises were let need not be restored, but all repair for which the Lessee is responsible shall be completed to the latest practical date prior to such surrender.

Section 7.4 - Title to Improvements: Subject to the provisions of Section 7.5, upon termination of this Lease by the passage of time or for any reason, the Port shall have the option to either require removal of any or all Improvements constructed by the Lessee, pursuant to Section 4.1, within 90 days after the expiration of the Lease at the Lessee's expense or shall have the option to take title to any or all such structures, installations, and Improvements.

Section 7.5 - Fixtures:

7.5.1 Upon termination of this Lease for any reason, any or all fixtures placed upon the Premises during the Lease Term, or any extension thereof, other than the Lessee's sandblast booth and trade fixtures, shall, at the Port's option, become the property of the Port. At or before the termination of this Lease, Lessee, at its expense, shall remove from the Premises any or all of Lessee's fixtures or personal property which the Port has required Lessee to remove under the terms of this Lease, and shall repair any damage to the Premises resulting from the installation or removal of such fixtures or personal property. Any items

of Lessee's fixtures or personal property which remain on the Premises after the termination of this Lease in violation of this Section 7.5 may, at the option of the Port, be deemed abandoned. The Port shall have the option, in its sole discretion, of (a) retaining any or all of such abandoned property without any requirement to account to Lessee therefor, or (b) removing and disposing of any or all of such abandoned property and recovering the cost thereof, plus interest from the date of expenditure at the Port's then current interest rate, from Lessee upon demand.

7.5.2 The time for removal of any property or fixtures which the Lessee is required to remove from the Premises upon termination shall be as follows: (1) on or before the date the Lease terminates as provided herein; or (2) within 30 days after notice from the Port requiring such removal where the property to be removed is a fixture which the Lessee is not required to remove except after such notice by the Port, and such date would fall after the date on which the Lessee would be required to remove other property.

Section 7.6 - Environmental Audit: The Port may, at or near the expiration of this Lease by time or other termination require the Lessee to conduct, at its cost, an environmental audit of the Premises acceptable to the Port to determine if any environmental contamination as defined by then-applicable Environmental Law exists on the Premises. The Port shall have the right to approve the audit procedures and the company or individual conducting said audit and shall be given an original copy of the results. Lessee shall provide to the Port a supplemental up-date report as of the last day of the Lease Term. The Lessee shall promptly

remedy any contamination revealed by such audit in accordance with the then applicable Environmental Law prior to the expiration of the Lease Term. Lessee, upon termination of the Lease for any reason other than expiration of time, shall conduct the environmental audit as required by this Section. The Port, if necessary, will grant Lessee a Permit of Entry for such purpose. In the event the Lessee fails to promptly remedy the contamination, the Port shall have the right to remedy such contamination and charge the Lessee all such costs. The Lessee agrees to pay to Port such costs within 30 days after receipt of invoice from the Port, such right to be in addition to any other remedy available to the Port as provided herein, at law, or by equity.

7.6.1 If the Lessee does not conduct said audit as required herein, the Port may, at its sole option, complete said audit at the Lessee's expense. Until said audit and any remedial actions as required to restore the Premises to an acceptable condition are completed, the Lessee shall not be released from any liability for such costs.

#### ARTICLE VIII. - DEFAULT

Section 8.1 - Events of Default: The following shall be events of default:

8.1.1 Default in Rent: Failure of the Lessee to pay any rent or other charge as provided herein within 10 days after it is due.

8.1.2 Default in Other Covenants: Failure of the Lessee to comply with any term or condition or fulfill any obligation of the Lease

(other than the payment of rent or other charges) within 30 days after written notice by the Port specifying the nature of the default with reasonable particularity. If the default is of such a nature that it cannot be completely remedied within the 30 day period, this provision shall be complied with if the Lessee begins correction of the default within the 30 day period and thereafter proceeds with reasonable diligence and in good faith to effect the remedy as soon as practicable.

8.1.3 Insolvency: To the extent permitted by the United States Bankruptcy Code, insolvency of the Lessee; an assignment by the Lessee for the benefit of creditors; the filing by the Lessee of a voluntary petition in bankruptcy; an adjudication that the Lessee is bankrupt or the appointment of a receiver of the properties of the Lessee and the receiver is not discharged within 30 days; the filing of an involuntary petition of bankruptcy and failure of the Lessee to secure a dismissal of the petition within 30 (thirty) days after filing; attachment of or the levying of execution on the leasehold interest and failure of the Lessee to secure discharge of the attachment or release of the levy of execution within 10 days.

8.1.4 Abandonment: Failure of the Lessee for 30 days or more to occupy the Premises for one or more of the purposes permitted under this Lease unless such failure is excused under other provisions of this Lease.

#### Section 8.2 - Remedies on Default:

8.2.1 In the event of a default under the provisions of Section 8.1, the Port at its option may terminate the Lease and at any time may exercise any other remedies available under law or equity for such

default. Any notice to terminate may be given before or within the grace period for default and may be included in a notice of failure of compliance. No termination of this Lease pursuant to this Section 8.2 shall relieve Lessee of its liabilities and obligations under this Lease, and any damages shall survive any such termination.

8.2.2 If Lessee fails to perform any of its obligations under this Lease, the Port, without waiving any other remedies for such failure, may (but shall not be obligated to) perform such obligation for the account and at the expense of the Lessee, without notice in a case of emergency, and in any other case if such failure continues for 15 days after written notice from the Port specifying the nature of the failure. As used herein, "emergency" shall mean any activity, cause or effect under the control or direction of the Lessee, its employees, agents, invitees, guests, or subcontractors involving the health, safety or general welfare of persons or property. The Port shall not be liable to Lessee for any claim for damage resulting from any such action by the Port. Lessee agrees to reimburse the Port upon demand for any expenses incurred by Lessor pursuant to this Lease together with interest thereon from the date of payment at the Port's then current interest rate.

8.2.3 Suit(s) or action(s) for the recovery of the rents and other amounts and damages, or for the recovery of possession may be brought by landlord, from time to time, at landlord's election, and nothing in this Lease will be deemed to require landlord to await the date on which the Lease Term expires. Each right and remedy in this Lease will be cumulative and will be in addition to every other right or remedy in this Lease or existing at law or in equity or by statute or otherwise,

including, without limitation, suits for injunctive relief and specific performance. The exercise or beginning of the exercise by landlord of any such rights or remedies will not preclude the simultaneous or later exercise by landlord of any other such rights or remedies. All such rights and remedies are nonexclusive.

#### ARTICLE IX. - GENERAL PROVISIONS

##### Section 9.1 - Assignment and Sublease:

9.1.1 This Lease is personal to the Lessor and the Lessee. Except as provided herein, no part of the Premises nor any interest in this Lease may be assigned, mortgaged, or subleased, nor may a right of use of any portion of the Premises be conveyed or conferred on any third person by any other means, without the prior written consent of the Port. Any assignment or attempted assignment without the Port's prior written consent shall be void. This provision shall apply to all transfers by operation of law. If the Lessee is a corporation, this provision shall apply to any sale of a controlling interest in the stock of the corporation.

9.1.2 Consent in one instance shall not prevent this provision from applying to a subsequent instance.

9.1.3 Other than the subleases for which the Port has given written consent concurrently with this Lease, in determining whether to consent to sublease, the Port may consider any factor, including the following factors: financial ability; business experience; intended use.

Section 9.2 - Nonwaiver: Waiver by either party of strict performance of any provision of this Lease shall not be a waiver of or prejudice the party's right to require strict performance of the same provision in the future or of any other provision. All waivers shall be in writing. The Port's acceptance of a late payment of rent does not waive any preceding or subsequent default other than the failure to pay the particular sum accepted.

Section 9.3 - Attorney's Fees: If suit or action is instituted in connection with any controversy arising out of this Lease, the prevailing party shall be entitled to recover in addition to costs such sum as the court may adjudge reasonable as attorney fees, or in the event of appeal as allowed by the appellate court.

Section 9.4 - Law of Oregon: This Lease shall be governed by the laws of the State of Oregon. If a court of competent jurisdiction declares this Lease to be a public contract under ORS Chapter 279, then the parties agree that the contract provisions required by ORS Chapter 279 to be included in public contracts are hereby incorporated by reference and shall become a part of this Lease as if fully set forth herein.

Section 9.5 - Adherence to Law: The Lessee shall adhere to all applicable Federal, State, and local laws, rules, regulations, and ordinances, including but not limited to (1) laws governing its relationship with its employees, including but not limited to laws, rules, regulations, and policies concerning Worker's Compensation, and minimum

and prevailing wage requirements; (2) laws, rules, regulations and policies relative to occupational safety and health, (3) all federal, state, regional and local laws, regulations and ordinances protecting the environment, and (4) all laws and regulations regarding the handling and disposal of Hazardous Substances.

9.5.1 Lessee shall not use or allow the use of the Premises or any part thereof for any unlawful purpose or in violation of any certificate of occupancy, any certificate of compliance, or of any other certificate, law, statute, ordinance, or regulation covering or affecting the use of the Premises or any part thereof. Lessee shall not permit any act to be done or any condition to exist on the Premises or any part thereof which may be hazardous, which may constitute a nuisance, or which may void or make voidable any policy of insurance in force with respect to the Premises.

9.5.2 The Lessee shall promptly provide to the Port copies of all notices or other communications between the Lessee and any governmental entity which relate to the Lessee's noncompliance or alleged noncompliance with any law, ordinance, regulation, condition, or other applicable requirement lawfully imposed by any agency, governmental body, or quasi-governmental body having jurisdiction over the Lessee's use of the Premises.

9.5.3 Lessee shall obtain, and promptly advise the Port of receipt of all federal, state, or local governmental approvals or permits required by law or regulation for any activity or construction that Lessee may undertake on the Premises. Lessee shall provide the Port with copies of all such approvals and permits received by Lessee.

Section 9.6 - No Light or Air Easement: The reduction or elimination of the Lessee's light, air, or view will not affect the Lessee's liability under this Lease, nor will it create any liability of the Port to the Lessee.

Section 9.7 - Time of Essence: Time is of the essence of each and every covenant and condition of this Lease.

Section 9.8 - Warranty of Authority: The individuals executing this agreement warrant that they have full authority to execute this Lease on behalf of the entity for whom they are acting herein.

Section 9.9 - Headings: The article and section headings contained herein are for convenience in reference and are not intended to define or limit the scope of any provisions of this Lease.

Section 9.10 - Delinquency Charges: Lessee acknowledges that late payment by Lessee to the Port of any rent due hereunder will cause the Port to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Accordingly, if any rent is not received by the Port when it is due, Lessee shall pay to the Port a delinquency charge in accordance with Section 3.4. The parties hereby agree that such delinquency charge represents a fair and reasonable payment by Lessee. Acceptance of any delinquency charge by the Port shall in no event constitute a waiver of Lessee's default with respect to the overdue amount in question, nor prevent the Port from exercising any of the other rights and remedies granted hereunder.

Section 9.11 - Consent of Port:

9.11.1 Subject to the provisions of Section 9.1, whenever consent, approval or direction by the Port is required under the terms contained herein, all such consent, approval, or direction shall be received in writing from an authorized representative of The Port of Portland.

9.11.2 If Lessee requests the Port's consent or approval pursuant to any provision of the Lease and the Port fails or refuses to give such consent, Lessee shall not be entitled to any damages as a result of such failure or refusal, whether or not unreasonable, it being intended the Lessee's sole remedy shall be an action for specific performance or injunction, and that such remedy shall be available only in those cases in which the Port has in fact acted unreasonably and has expressly agreed in writing not unreasonably to withhold its consent or may not unreasonably withhold its consent as a matter of law.

Section 9.12- Notices: All notices required under this Lease shall be deemed to be properly served if served personally or sent by certified mail to the last address previously furnished by the parties hereto. Until hereafter changed by the parties by notice in writing, notices shall be sent to the Port at The Port of Portland, Post Office Box 3529, Portland, Oregon 97208, or served personally at 5555 N. Channel Ave., Bldg. 50, Portland, Oregon, 97217, and to the Lessee at 5555 N. Channel Ave., Bldg. 50, Bay 2, Portland, OR 97217. Date of Service of such notice is date such notice is personally served or deposited in a post office of the United States Post Office Department, postage prepaid.

Section 9.13 - Modification: Any modification of the Lease shall be mutually agreed upon and reduced to writing and shall not be effective until signed by the parties hereto.

Section 9.14 - No Benefit to Third Parties: The Port and the Lessee are the only parties to this Lease and as such are the only parties entitled to enforce its terms. Nothing in this Lease gives or shall be construed to give or provide any benefit, direct, indirect, or otherwise to third parties unless third persons are expressly described as intended to be beneficiaries of its terms.

Section 9.15 - Admittance: The Port shall not be liable for the consequences of admitting by pass-key or refusing to admit to said Premises the Lessee or any of the Lessee's agents or employees or other persons claiming the right of admittance.

Section 9.16 - Regulations: The Port may, from time to time, adopt and enforce rules and regulations with respect to the use of said Premises, and Lessee agrees to observe and obey such rules and regulations.

Section 9.17 - Partial Invalidity: If any provision of this Lease or the application thereof to any person or circumstance is at any time or to any extent, held to be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstances other than those to which it is held invalid or unenforceable, shall not

be affected thereby, and each provision of this Lease shall be valid and enforceable to the fullest extent permitted by law.

Section 9.18 - Survival: All agreements (including, but not limited to, indemnification agreements) set forth in this Lease, the full performance of which are not required prior to the expiration or earlier termination of this Lease, shall survive the expiration or earlier termination of this Lease and be fully enforceable thereafter.

Section 9.19 - Entire Agreement: It is understood and agreed that this instrument contains the entire Agreement between the parties hereto. It is further understood and agreed by the Lessee that the Port and the Port's agents have made no representations or promises with respect to this Agreement or the making or entry into this Agreement, except as in this Agreement expressly set forth, and that no claim or liability or cause for termination shall be asserted by the lessee against the Port for, and the Port shall not be liable by reason of, the breach of any representations or promises not expressly stated in this Agreement, any other oral agreement with the Port being expressly waived by the Lessee.

LEASE OF IMPROVED SPACE

THIS LEASE, dated this 30<sup>th</sup> day of October, 19 91, is entered into by and between THE PORT OF PORTLAND, a port district of the State of Oregon (hereinafter referred to as "Port"), and John Murdoch, Inc., a corporation organized under the laws of the State of Oregon (hereinafter referred to as "Lessee"), for lease of certain described Premises located at the Portland Ship Repair Yard, Swan Island ("PSRY").

RECITALS

WHEREAS, the Port desires to lease certain land and/or improvements located at Portland Ship Repair Yard to Lessee, said land and/or improvements being more particularly described below; and

WHEREAS, Lessee is desirous of leasing said land and/or improvements;

NOW, THEREFORE, in consideration of the above declarations, the parties have negotiated the following terms and conditions:

ARTICLE I. - AGREEMENT TO LEASE, DESCRIPTION OF PREMISES

Section 1.1 - Agreement to Lease: The Port hereby leases to Lessee, and Lessee leases from the Port on the terms and conditions stated herein,

the Premises consisting of approximately 230 square feet of upstairs office space in Building 10, commonly known as Office Suite B, shown on Exhibit No. A, attached hereto and made a part hereof, and any existing Improvements thereon, and appurtenances thereto, (hereinafter referred to as "Premises"). Upon construction or installation of any Improvements, additions, or changes to Improvements in, under, or upon the Premises (collectively "Improvements"), such Improvement(s) shall become a part of the Premises unless otherwise stated herein.

Section 1.2 - Use of Premises:

1.2.1 Lessee may use the Premises only for the following purpose(s): offices in support of Lessee's marine surveying business.

1.2.2 No other use may be made of the Premises without the prior written approval of the Port. Except as a necessary and incidental use in conjunction with the use authorized for the Premises pursuant to Section 1.2.1 above, without limiting the foregoing restriction on use, no use may be made of, on, or from the Premises relating to the handling, storage, disposal, transportation, or discharge of Hazardous Substances as defined in Section 6.3 hereof. Under no circumstances shall any use be made of, or conduct occur on, the Premises which would cause the Premises, or any part thereof, to be deemed a hazardous waste treatment, storage, or disposal facility requiring a permit, interim status, or any other special authorization under any Environmental Law as defined in Section 6.3 hereof.

1.2.3 The Port shall have the option, but shall not be required to, request the Lessee to provide the Port with a list of all materials and activities which are or foreseeable will occur on the Premises which might constitute an environmental liability. Under no circumstances shall the Port be liable for failure to request or update said list.

1.2.4 In no event shall Lessee store, handle, transport, dispose, or treat any Hazardous Substances on the Premises which are generated by or from cleanup, removal, or remediation operations or activities from third party sources outside PSRY.

1.2.5 In no event shall the Lessee ever permanently or temporarily store the following product categories without the Port's prior written approval, except as specifically authorized by federal, state, or local Environmental Law or regulation:

1. PCBs, PCB contaminated materials, and spill residues containing PCBs.
2. Asbestos, asbestos-contaminated materials, and spill residues containing asbestos.
3. Radioactive materials (as defined by state, federal, and local regulations including but not limited to United States Department of Transportation (US D.O.T.) classifications, and restrictions as defined in OAR Chapter 333, Division 100-005 (51) or as defined by Oregon Health Division.

4. Explosive materials and flammable solids (US D.O.T. Classification).
5. Poison Gases (Poison A, US D.O.T. classification).
6. Reactive materials (Defined by RCRA characteristic or reactivity).
7. Medical, biological, or infectious waste.

1.2.6 Lessee shall at all times exercise due care in connection with the handling of Hazardous Substances on the Premises and shall not cause or permit Hazardous Substances to be spilled, leaked, disposed of, treated, or otherwise released on the Premises.

1.2.7 Before commencing the use, generation, accumulation, storage, treatment, or other handling of Hazardous Substances on the Premises, Lessee shall provide the Port with copies of all necessary permits, authorizations and notices required by any Environmental Law as described in Section 6.3 herein, with respect to such activities. Lessee shall at all times comply with all Environmental Laws as defined in Section 6.3 herein which are applicable to the Premises or to the Lessee's activities on the Premises.

1.2.8 The Lessee shall not in any manner deface or injure the Premises or any portion thereof; or overload the floors; or permit anything to be done upon the Premises which would cause an increase in the Fire Insurance rating to the Building; or commit any nuisance in or about

the Premises; or to use or permit the use of the Premises for lodging or sleeping purposes.

1.2.9 The Lessee shall not in any manner overload the Port-owned crane located within the Premises, or operate said crane in a manner inconsistent with its design or intended use.

Section 1.3 - Appurtenant Rights:

1.3.1 Lessee, its customers, agents, representatives, suppliers, and invitees and subcontractors authorized to be operating in the yard shall have the nonexclusive right to use the Common Areas, such right to be in common with others to whom the Port has granted or may grant such similar right. The term "Common Areas," as used herein, shall mean the roadways, pedestrian walkways, alleyways, driveways, delivery areas, trash removal areas, and any other areas, except for berth and drydock lay down areas, where such areas have been designated by the Port as areas to be used by tenants of the Port or those having Facility Agreements in common with other tenants and users of the Port.

1.3.2 The Port reserves the following rights with respect to the Common Areas:

1.3.2.1 To establish reasonable rules and regulations for the use of said Common Areas;

1.3.2.2 To use or permit the use of such Common Areas by others to whom the Port may grant or may have granted such rights in such manner as the Port may from time to time so grant;

1.3.2.3 To close all or any portion of the Common Areas to

make repairs or changes, to prevent a dedication of the Common Areas or the accrual of any rights to any person or the public, or to discourage unpermitted use of the Common Areas;

1.3.2.4 To construct additional buildings to alter or remove buildings or other improvements in the Common Areas and to change the layout of such common Areas, including the right to add to or subtract from their shape and size;

1.3.2.5 To exercise any of the Port's governmental powers over the Common Areas.

## ARTICLE II. - TERM

Section 2.1 - Term: This Lease shall commence on October 15, 1991, and continue month to month until terminated by either party upon thirty days' written notice or otherwise terminated under the provisions hereof.

## ARTICLE III. - RENTAL

Section 3.1 - Basic Rent: The Lessee shall pay to the Port as rent the sum of \$195.50 per month, in advance, based upon the following: 230 s.f. at \$.85 per square foot per month. Monthly utility charges will be billed in addition as shown on Exhibit B.

Section 3.2 - Time and Place of Payments: Payments are due on the first day of each month and delinquent if not paid by the (10th) day of

each month. In the event the Lease commences after the first day of a month, the Basic Rent for the first month shall be prorated based on the number of days in the first partial calendar month.

3.2.1 Payment shall be to the Port at The Port of Portland, Post Office Box 5095, Portland, Oregon 97208, or such other place as the Port may designate. All amounts not paid by the Lessee when due shall bear a delinquency charge at the rate of 18% per annum. The delinquency charge on overdue accounts is subject to periodic adjustment to reflect the Port's then current charge for overdue accounts.

Section 3.3 - Acceptance of Late Rent: The Port shall be entitled, at its sole and complete discretion, to either accept or reject a tender payment of Basic Rent or Additional Rent which is not paid when due. In the event the Port elects to accept a tender of payment of rent after the time when such payment was due, the Port may do so without thereby waiving any default based upon the failure of Lessee to make such payment when due and without waiving Lessee's continuing obligation to make such payments when required under the terms of this Lease. Lessee hereby acknowledges that this constitutes a waiver by Lessee of any argument that by accepting a late payment of rent, the Port has waived any default which is based upon such late payment or has waived Lessee's continuing obligation to make such payments when and as required by the terms of this Lease.

#### ARTICLE IV. - LESSEE'S OTHER OBLIGATIONS

Section 4.1 - Construction of Improvements/Alterations: The Lessee shall make no construction, alteration, or changes on or to the Premises without the prior written consent of the Port. At least thirty days prior to any approved construction, alteration, or changes upon the Premises or Improvements, Lessee shall submit to the Port architectural and mechanical final plans and specifications, site-use plan, and architectural rendering thereof and shall not commence any construction until it has received the Port's written approval. All plans for construction, alteration, or changes shall be signed by an architect or engineer licensed in the State of Oregon. Should the Port fail to take action concerning the plans and/or specifications submitted to it within forty-five days, said plans and/or specifications shall be deemed approved.

4.1.1 No such work shall be undertaken until Lessee has procured and paid for, so far as the same may be required from time to time, all municipal and other governmental permits and authorizations required with respect to the work. Procurement of such permits and authorizations shall be subsequent to Lessee's obtaining Port approval pursuant to Section 4.1.

4.1.2 All work shall be performed in a good and workmanlike manner and, in the case of alterations or additions to existing Improvements, shall be of such quality and type that, when completed, the value and utility of the Improvements which were changed or altered shall be not less than the value and utility of such Improvements immediately

before such change or alteration. All work shall be prosecuted with reasonable dispatch.

4.1.3 Thirty days after the completion of any work under this Section 4.1, Lessee shall deliver to the Port complete and fully detailed "AS-BUILT" drawings of the completed Improvements prepared by an architect licensed in the State of Oregon.

Section 4.2 - Maintenance: Except for the Port maintenance responsibilities provided in Section 5.1 herein, the Lessee shall keep and maintain the Premises and Improvements of any kind, which may be erected, installed, or made thereon by the Lessee or the Port, in good and substantial repair and condition and shall promptly make all necessary repairs thereto at Lessee's sole expense. Lessee shall be responsible at its own cost and expense for the maintenance of the interior of the Premises and Improvements including, but not limited to, electric lines and fixtures, flooring, partitions, walls, and ceilings. The Lessee shall provide at, the Lessee's expense, proper containers and removal service for trash and garbage and shall keep the Premises free and clear of rubbish, debris, and litter at all times.

Section 4.3 - Taxes: Unless exempt, the Lessee agrees to pay all lawful taxes and assessments which during the term hereof or any extension may become a lien or which may be levied by the state, county, city, or any other tax-levying body upon the Premises or Improvements, upon any taxable interest by Lessee acquired in this Lease, or any taxable

possessory right which Lessee may have in or to the Premises or the Improvements thereon by reason of its occupancy thereof, as well as all taxes on all taxable property, real or personal, owned by the Lessee in or about said Premises. Upon making such payments, the Lessee shall give to the Port a copy of the receipts and vouchers showing such payment. The Lessee understands that Port property is exempt from property taxation until leased to a taxable entity. In the event the term of this Lease or any extension thereof shall end after June 30 of any year, the Lessee shall be responsible for payment of property taxes for the entire tax year without proration or, in the event of any change in property tax law, for any taxes due under such law.

Section 4.4 - Liens: The Lessee agrees to pay, when due, all sums of money that may become due for, any labor, services, materials, supplies, utilities, furnishings, machinery, or equipment which have been furnished or ordered with the Lessee's consent to be furnished to or for the Lessee in, upon, or about the Premises or Improvements, which may be secured by any mechanic's, materialsmen's, or other lien against the Premises or Improvements or the Port's interest therein, and will cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, provided that the Lessee may in good faith contest any mechanic's or other liens filed or established, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest, provided that the Port may require the Lessee to procure a

payment bond in the amount of the contested lien.

Section 4.5 - Utilities: The Lessee shall promptly pay any charges for telephone, and all other charges for utilities which may be furnished to the Premises or Improvements at the request of or for the benefit of Lessee, except for heat, air conditioning and electricity which shall be provided by the Port. The applicable rates for the utilities provided by the Port are shown on Exhibit B, attached hereto. In no event shall the Lessee overload the electrical circuits from which the Lessee obtains current.

Section 4.6 - Advertisement Signs: Subject to the provisions hereof, the Lessee shall have the right to install or cause to be installed appropriate signs on the Premises to advertise the nature of its business. The cost for installation and operation of such signs shall be borne by the Lessee. The Lessee shall not erect, install, nor permit to be erected, installed or operated upon the Premises herein any sign or other advertising device without having first obtained the Port's written consent thereto as to size, construction, location, and general appearance. All such installations shall be in accordance with the Portland Ship Repair Yard Signing Standards as adopted by the Port from time to time.

Section 4.7 - Safety Requirements:

4.7.1 The Lessee shall conduct its operations, activities and duties under this Lease in a safe manner, and shall comply with all safety standards imposed by applicable federal, state and local laws and regulations. The Lessee shall require the observance of the foregoing by all subcontractors and all other persons transacting business with or for the Lessee in any way connected with the conduct of the Lessee pursuant to this Lease.

4.7.2 The Lessee shall exercise due and reasonable care and caution to prevent and control fire on the Premises and to that end shall provide and maintain such fire suppression and other fire protection equipment as may be required pursuant to applicable governmental laws, ordinances, statutes and codes for the purpose of protecting the Improvements adequately and restricting the spread of any fire from the Premises to any property adjacent to the Premises.

Section 4.8 - Access to Premises: Except as provided in Section 4.8.1, the Port shall at all times during ordinary business hours have the right to enter upon the Premises and Improvements for the purposes of: (1) inspecting the same; (2) confirming the performance by Lessee of its obligations under this Lease; (3) doing any other act which the Port may be obligated or have the right to perform under this Lease, or reasonably related thereto; and (4) for any other lawful purpose. Such inspections

shall be made only at a mutually agreeable time to all parties except in cases of emergency or pursuant to Section 4.8.1.

4.8.1 Environmental Inspection: The Port reserves the right to inspect the Lessee's and Lessee's subtenants' management of Hazardous Substances, as defined in Section 6.3, on the Premises at any time and from time to time without notice to the Lessee or subtenant. If the Port at any time during the term of this Lease or any extension thereof has reason to believe that the Lessee or Lessee's subtenant(s) are managing Hazardous Substances in a manner that may allow contamination of any portion of the Premises, the Port may require the Lessee to furnish to the Port, at the Lessee's sole expense, an environmental audit or an environmental assessment with respect to the matters of concern to the Port. The Port shall have the right to approve the company or individual conducting said audit and the audit procedures and shall be given an original copy of the results. Lessee shall cooperate with all such requests.

Section 4.9 - Hazardous Substances Spills and Releases: Lessee shall immediately notify the Port upon becoming aware of: (1) any leak, spill, release or disposal of a Hazardous Substance, as defined in Section 6.3, on, under or adjacent to the Premises or threat of or reasonable suspicion of any of the same; and/or (2) any notice or communication from a governmental agency or any other person directed to the Lessee or any other person relating to such Hazardous Substances on, under, or adjacent to the Premises or any violation of any federal, state, or local laws,

The Port shall have the right to approve all investigatory, remedial and removal procedures and the company(ies) and/or individual(s) conducting said procedures. Within 30 days following completion of such investigatory, remedial and/or removal action, Lessee shall provide the Port with a certification acceptable to the Port that all such contamination has been eliminated as required by federal, state, or local law or regulation.

#### ARTICLE V. - PORT OBLIGATIONS AND WARRANTIES

Section 5.1 - Maintenance: Except for Lessee's maintenance obligations as described in Section 4.2 and Lessee's obligations to repair damage caused by its acts or failure to act on the Premises, the Port shall be responsible for maintenance of the exterior walls and roof areas of the Premises, maintenance of the common areas and restrooms, and maintenance of the air conditioning and heating units. Any and all maintenance and repair work not specifically described herein as the

responsibility of the Port shall be the responsibility of the Lessee.

Section 5.2 - Delivery:

5.2.1 Lessee shall have the right to possession of the Premises as of the date of the term hereof. Should the Port be unable to deliver possession of the Premises on the date fixed for commencement of the term, the Lessee shall owe no rent until notice from the Port tendering possession to the Lessee. The Port shall have no liability to the Lessee for delay in delivering possession, nor shall such delay extend the term of this Lease in any manner.

5.2.2 In the event the Port shall permit the Lessee to occupy the Premises prior to the occupancy date herein set forth, such occupancy shall be subject to all the provisions of this Lease.

Section 5.3 - Port's Warranty of Ownership: The Port warrants that it is the owner of the land and building and has the right to lease said Premises under the terms of this Lease. Subject to the Lessee performing all obligations of this Lease, the Lessee's possession of the Premises will not be disturbed by the Port or anyone lawfully claiming by, through or under the Port and the Port will defend the Lessee's right to quiet enjoyment of the Premises from disturbance by anyone lawfully claiming by, through or under the Port.

Section 5.4 - Condition of Premises: The Port makes no warranties or representations regarding the condition or available lawful uses of the

Premises. The Lessee has inspected and accepts the Premises in an "as is" condition upon taking possession, and the Port shall have no liability to the Lessee for any loss, damage, injury, or costs caused by the condition or available lawful uses of the Premises.

ARTICLE VI. - LIABILITY, INDEMNITY, INSURANCE, DAMAGE AND DESTRUCTION

Section 6.1 - Liability: The Port shall not be liable to the Lessee for damage to person or property resulting from the negligence of a co-tenant or anyone else other than the Port, or for any damage to person or property resulting from any condition of the Premises or other cause, including but not limited to damage by water, not resulting from the negligence of the Port. Lessee understands that the Premises are located within a ship repair yard where large vessels are repaired, sandblasted, and spray painted and such activities may create noise, odors, dusts, paint oversprays and sandblast grit. Lessee acknowledges these risks, assumes the risks for damages caused by such risks, and releases the Port from liability therefore.

Section 6.2 - General Indemnity: The Port shall not in any event be liable for any injury to any person or damage to any property occurring on or about the Premises, unless such injury or damage results from the wilful acts or gross negligence of the Port. Lessee covenants and agrees to indemnify and hold harmless the Port, its commissioners, directors, officers, agents, and employees from and against any and all actual or

potential liability, claims, demands, damages, expenses, fees (including attorneys', accountants', and paralegal fees), fines, penalties, suits, proceedings, actions, and causes of action (collectively "costs") which may be imposed upon or incurred by the Port due to the acts or omissions of any person or entity whatsoever (excluding only the wilful acts or gross negligence of the Port), and which: (1) arise from or are in any way connected with Lessee's use, occupation, management or control of the Premises whether or not due to Lessee's wilful act or omission or gross negligence and whether or not occurring on the Premises; or (2) result from any breach, violation, or nonperformance by Lessee of any of its obligations under this Lease.

Section 6.3 - Hazardous Substances Indemnity: In addition to the indemnity provided in Section 6.2 above, Lessee agrees to indemnify, save, and hold harmless the Port from and against all removal, remediation, containment and other costs required to be incurred by environmental laws caused by, arising out of, or in connection with, the handling, storage, discharge, transportation, or disposal of Hazardous Substances which Hazardous Substances are on the Premises as a result of Lessee's, or Lessee's sublessees' tenants', agents', employees', or invitees', acts or omissions, whether occurring during the term of this Lease. Subject to the preceding limitations, such Costs shall include, but not be limited to: (a) claims of third parties, including governmental agencies, for damages, response costs or other relief; (b) the cost, expense or loss to the Port of any injunctive relief, including preliminary or temporary

injunctive relief, applicable to the Port or the Premises; (c) the expense, including reasonable fees of attorneys, engineers, paralegals and experts, reporting the existence of said Hazardous Substances or contaminants to any agency of the State of Oregon or the United States as required by applicable Environmental Laws; (d) any and all expenses or obligations, including attorneys' and paralegal fees, incurred at, before, and after any trial or appeal therefrom or any administrative proceeding or appeal therefrom whether or not taxable as costs, including, without limitation, reasonable attorneys' and paralegal fees, witness fees (expert and otherwise), deposition costs, copying and telephone charges and other expenses, all of which shall be paid by Lessee promptly after the Port incurs the obligations to pay such amounts. Such damages, costs, liabilities and expenses shall include such as are claimed to be owed by any regulating and administering agency. As used in Article VI, the word "Premises" shall be deemed to include the soil and water table thereof. As used herein, "Hazardous Substances" shall be interpreted in the broadest sense to include any substances, materials, wastes, pollutants, or contaminants that, because of their quantity, concentration, or physical, chemical, or infectious characteristics, may cause or threaten a present or potential hazard to human health or the environment when improperly generated, used, stored, handled, treated, discharged, disposed of, or released. "Hazardous Substances" shall include but not be limited to any and all substances, materials, wastes, pollutants, or contaminants are defined or designated as hazardous, toxic, radioactive, dangerous, or any other similar term in or under any of the Environmental Laws, and

shall specifically include asbestos and asbestos-containing materials, petroleum or petroleum products, including crude oil or any fraction thereof, and urea formaldehyde. As used herein, "Environmental Laws" shall be interpreted in the broadest sense to include any and all lawful federal, state, and local statutes, regulations, rules, and ordinances now or hereafter in effect, as may be amended from time to time, governing Hazardous Substances or relating to the protection of human health or the environment, including but not limited to, the Resource Conservation and Recovery Act (RCRA) (42 U.S.C. §6901 et. seq.); the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) (42 U.S.C. §9601, et. seq.); the Federal Water Pollution Control Act/Clean Water Act (33 U.S.C. §1257 et. seq.); the Toxic Substances Control Act (15 U.S.C. §2601, et. seq.); Superfund Amendment and Reauthorization Act of 1986 (SARA) (P.L. 99-499. 6.3.1 Promptly upon written notice from the Port or from any governmental entity, if required by the environmental laws, the Lessee shall remove from the Premises (including without limitation the soil or water table thereof) all Hazardous Substances placed on the Premises by Lessee, Lessee's sublessees, agents, employees or invitees and shall restore the Premises to clean, safe, good, and serviceable condition. Any such cleanup shall be in conformance with all applicable governmental rules and regulations.

Section 6.4 - Duty to Defend: Lessee shall, at its sole expense, defend any and all actions, suits, and proceedings relating to matters covered by the indemnity set forth in Sections 6.2 and 6.3 which may be brought against the Port or in which the Port may be impleaded, and shall satisfy, pay, and discharge any and all judgments, orders, and decrees that may be entered against the Port in any such action or proceeding.

Section 6.5 - Insurance:

6.5.1 The Lessee shall maintain an occurrence form commercial general and automobile liability insurance policy or policies including a fire legal liability endorsement for the protection of Lessee and the

Port, its commissioners, directors, officers, servants, and employees, insuring the Lessee and the Port against liability for damages because of personal injury, bodily injury, death, or damage to property, including loss of use thereof, and occurring on or in any way related to the Premises or occasioned by reason of the operations of the Lessee on or from the Premises with insurance of not less than (\$<sup>1,000,000</sup>~~5,000,000~~) combined single limit.

6.5.2 Lessee shall maintain in force Workers' Compensation insurance, including coverage for Employer's Liability and, if applicable, The Longshoremen's and Harbor Workers' Compensation Act.

6.5.3 All insurance shall name the Port, its commissioners, officers, and employees as additional insureds with the stipulation that this insurance, as to the interest of the Port only therein, shall not be invalidated by any act or neglect or breach of contract by the Lessee.

6.5.4 The Lessee shall furnish to the Port a certificate(s) of insurance evidencing the date, amount, and type of insurance that has been procured pursuant to this Lease. All policies of insurance shall remain in full force during the term hereof and shall provide for not less than 30 (thirty) days written notice to the Port and the Lessee before such policies may be revised, nonrenewed, or cancelled. Upon request, the Lessee shall provide the Port with a copy or copies of any insurance policy provided pursuant to this Lease.

6.5.5 The Port shall have the right to review the coverage and limits of insurance required herein from time to time. In the event the Port determines that such limits should be modified, the Port will provide

30 days notice to the Lessee of such determination and the Lessee shall, if the coverage is expanded and/or limits are increased, modify its coverage to comply with the new limits and provide the Port with an updated certificate.

Section 6.6 - Waiver of Subrogation: The Port and the Lessee agree that each forfeits any right of action that it may later acquire against the other of the parties to the Lease for loss or damage to its property, or to property in which it may have an interest, to the extent that such loss is covered by the provision of the Lessee's property damage policy or policies.

#### ARTICLE VII. - TERMINATION

Section 7.1 - Termination by the Port: The Port shall be entitled to terminate this Lease as provided herein and as otherwise provided by law.

Section 7.2 - Termination by Lessee: The Lessee shall be entitled to terminate this Lease as provided herein and as otherwise provided by law.

Section 7.3 - Duties on Termination: Upon termination of the Lease for any reason, the Lessee shall deliver all keys to the Port and surrender the Premises and Improvements in good condition. Alterations including but not limited to electrical systems, constructed by the Lessee with permission from the Port shall not be removed, unless the terms of

permission for the alteration so require, but shall be restored to the original condition. Depreciation and wear from ordinary use for the purpose for which the Premises were let need not be restored, but all repair for which the Lessee is responsible shall be completed to the latest practical date prior to such surrender.

Section 7.4 - Title to Improvements: Subject to the provisions of Section 7.5, upon termination of this Lease by the passage of time or for any reason, the Port shall have the option to either require removal of any or all Improvements constructed by the Lessee, pursuant to Section 4.1, within 90 days after the expiration of the Lease at the Lessee's expense or shall have the option to take title to any or all such structures, installations, and Improvements.

Section 7.5 - Fixtures:

7.5.1 Upon termination of this Lease for any reason, any or all fixtures placed upon the Premises during the Lease Term other than the Lessee's trade fixtures, shall, at the Port's option, become the property of the Port. Movable furniture, decorations, floor covering (other than hard surface bonded or adhesively fixed flooring), curtains, blinds, furnishing and trade fixtures shall remain the property of the Lessee if placed on the Premises by the Lessee. At or before the termination of this Lease, Lessee, at its expense, shall remove from the Premises any or all of Lessee's fixtures or personal property which the Port has required Lessee to remove under the terms of this Lease, and shall repair any

damage to the Premises resulting from the installation or removal of such fixtures or personal property. Any items of Lessee's fixtures or personal property which remain on the Premises after the termination of this Lease in violation of this Section 7.5 may, at the option of the Port, be deemed abandoned. The Port shall have the option, in its sole discretion, of (a) retaining any or all of such abandoned property without any requirement to account to Lessee therefor, or (b) removing and disposing of any or all of such abandoned property and recovering the cost thereof, plus interest from the date of expenditure at the Port's then current interest rate, from Lessee upon demand.

7.5.2 The time for removal of any property or fixtures which the Lessee is required to remove from the Premises upon termination shall be as follows: (1) on or before the date the Lease terminates as provided herein; or (2) within 30 days after notice from the Port requiring such removal where the property to be removed is a fixture which the Lessee is not required to remove except after such notice by the Port, and such date would fall after the date on which the Lessee would be required to remove other property.

Section 7.6 - Environmental Audit: The Port may, at or near the expiration of this Lease by time or other termination require the Lessee to conduct, at its cost, an environmental audit of the Premises acceptable to the Port to determine if any environmental contamination as defined by then-applicable Environmental Law exists on the Premises. The Port shall have the right to approve the audit procedures and the company or

individual conducting said audit and shall be given an original copy of the results. Lessee shall provide to the Port a supplemental update report as of the last day of the Lease Term. The Lessee shall promptly remedy any contamination revealed by such audit in accordance with the then applicable Environmental Law prior to the expiration of the Lease Term. Lessee, upon termination of the Lease for any reason other than expiration of time, shall conduct the environmental audit as required by this Section. The Port, if necessary, will grant Lessee a Permit of Entry for such purpose. In the event the Lessee fails to promptly remedy the contamination, the Port shall have the right to remedy such contamination and charge the Lessee all such costs. The Lessee agrees to pay to Port such costs within 30 days after receipt of invoice from the Port, such right to be in addition to any other remedy available to the Port as provided herein, at law, or by equity.

7.6.1 If the Lessee does not conduct said audit as required herein, the Port may, at its sole option, complete said audit at the Lessee's expense. Until said audit and any remedial actions as required to restore the Premises to an acceptable condition are completed, the Lessee shall not be released from any liability for such costs.

ARTICLE VIII. - DEFAULT

Section 8.1 - Events of Default: The following shall be events of default:

8.1.1 Default in Rent: Failure of the Lessee to pay any rent or other charge as provided herein within 10 days after it is due.

8.1.2 Default in Other Covenants: Failure of the Lessee to comply with any term or condition or fulfill any obligation of the Lease (other than the payment of rent or other charges) within 30 days after written notice by the Port specifying the nature of the default with reasonable particularity. If the default is of such a nature that it cannot be completely remedied within the 30 day period, this provision shall be complied with if the Lessee begins correction of the default within the 30 day period and thereafter proceeds with reasonable diligence and in good faith to effect the remedy as soon as practicable.

8.1.3 Insolvency: To the extent permitted by the United States Bankruptcy Code, insolvency of the Lessee; an assignment by the Lessee for the benefit of creditors; the filing by the Lessee of a voluntary petition in bankruptcy; an adjudication that the Lessee is bankrupt or the appointment of a receiver of the properties of the Lessee and the receiver is not discharged within 30 days; the filing of an involuntary petition of bankruptcy and failure of the Lessee to secure a dismissal of the petition within 30 (thirty) days after filing; attachment of or the levying of execution on the leasehold interest and failure of the Lessee to secure discharge of the attachment or release of the levy of execution within 10 days.

8.1.4 Failure to Occupy: Failure of the Lessee for 30 days or more to occupy the Premises for one or more of the purposes permitted under this Lease unless such failure is excused under other provisions of this Lease.

Section 8.2 - Remedies on Default:

8.2.1 In the event of a default under the provisions of Section 8.1, the Port at its option may terminate the Lease and at any time may exercise any other remedies available under law or equity for such default. Any notice to terminate may be given before or within the grace period for default and may be included in a notice of failure of compliance. No termination of this Lease pursuant to this Section 8.2 shall relieve Lessee of its liabilities and obligations under this Lease, and any damages shall survive any such termination.

8.2.2 If Lessee fails to perform any of its obligations under this Lease, the Port, without waiving any other remedies for such failure, may (but shall not be obligated to) perform such obligation for the account and at the expense of the Lessee, without notice in a case of emergency, and in any other case if such failure continues for 15 days after written notice from the Port specifying the nature of the failure. As used herein, "emergency" shall mean any activity, cause or effect under the control or direction of the Lessee, its employees, agents, invitees, guests, or subcontractors involving the health, safety or general welfare of persons or property. The Port shall not be liable to Lessee for any claim for damage resulting from any such action by the Port. Lessee

agrees to reimburse the Port upon demand for any expenses incurred by Lessor pursuant to this Lease together with interest thereon from the date of payment at the Port's then current interest rate.

8.2.3 Suit(s) or action(s) for the recovery of the rents and other amounts and damages, or for the recovery of possession may be brought by landlord, from time to time, at landlord's election, and nothing in this Lease will be deemed to require landlord to await the date on which the Lease Term expires. Each right and remedy in this Lease will be cumulative and will be in addition to every other right or remedy in this Lease or existing at law or in equity or by statute or otherwise, including, without limitation, suits for injunctive relief and specific performance. The exercise or beginning of the exercise by landlord of any such rights or remedies will not preclude the simultaneous or later exercise by landlord of any other such rights or remedies. All such rights and remedies are nonexclusive.

#### ARTICLE IX. - GENERAL PROVISIONS

##### Section 9.1 - Assignment and Sublease:

9.1.1 This Lease is personal to the Lessor and the Lessee. Lessee shall not permit any act to be done or any condition to exist on the Premises or any part thereof which may be hazardous, which may constitute a nuisance, or which may void or make voidable any policy of insurance in force with respect to the Premises.

9.5.2 The Lessee shall promptly provide to the Port copies of all notices or other communications between the Lessee and any governmental entity which relate to the Lessee's noncompliance or alleged noncompliance with any law, ordinance, regulation, condition, or other applicable requirement lawfully imposed by any agency, governmental body, or quasi-governmental body having jurisdiction over the Lessee's use of the Premises.

9.5.3 Lessee shall obtain, and promptly advise the Port of receipt of all federal, state, or local governmental approvals or permits required by law or regulation for any activity or construction that Lessee may undertake on the Premises. Lessee shall provide the Port with copies of all such approvals and permits received by Lessee.

Re: Portland Ship Yard Lease  
Port Agreement No.: 92-163

Attention: Ron Nisbet

This letter concerns your lease of space at Portland Ship Yard ("PSY"). As you are aware, the Port of Portland has entered into a lease of PSY ("PSY Lease") to Cascade General, Inc. ("Cascade"). The Commencement Date of the PSY Lease is January 1, 1996. After that date, the Port will no longer operate and maintain PSY, and will no longer be responsible for leasing and managing subtenant space.

This is notice to you, therefore, that your current lease with the Port will terminate December 31, 1995. You will be contacted before that date by Cascade regarding their intention to continue or to terminate your tenancy at PSY. If applicable, Cascade will forward a new lease document to you for execution prior to the termination date of your current lease.

If required under the terms of your Lease, you may be requested to perform an environmental exit audit prior to the termination date. You will be notified shortly if that is the case.

Other details and requirements of termination of your lease will be forwarded later. If you have any questions concerning this notice or the transition process, please feel free to contact Suzanne Brooks at 731-7509.
